

**KCA Site Services** have partnered with **Underground Training** to provide long-term opportunities to new starters in mining.

The **Underground Training Introduction to Underground Mining** course gives candidates a thorough understanding of underground mining, putting them ahead of the game. It sets the expectation of what is involved in underground work and the skills required to pursue a career in the industry.

**KCA Site Services welcomes applicants who have completed the course and will happily assist in gaining exciting employment opportunities.**

Applicants must have the following to be successful:

National Police Clearance within 6 months

Manual Driver's Licence

Willingness to obtain any site-required tickets

Ability to pass a pre-employment medical and drug & alcohol screen

Right to work in Australia

Applications can be sent to [admin@kcasiteservices.com.au](mailto:admin@kcasiteservices.com.au) or call **1300 143 947** to find out more.
