

## Instructions for Accessing Course Content.

- 1 Navigate to <https://undergroundtraining.com.au/>

- 2 Click "My Account / Login"

3 Click the "Username or email address \*Required" field.

The screenshot shows the Underground Training website header with navigation links: About Us, Courses, Employers, New Starters, Mining Jobs Videos, Blogs, Contact Us, and Shop. Below the header are two forms: Login and Register. The Login form has a 'Username or email address \*Required' field highlighted with an orange circle, a 'Password \*' field, a 'Remember me' checkbox, a 'Log in' button, and a 'Lost your password?' link. The Register form has 'Username \*', 'Email address \*', and 'Password \*' fields, a 'Remember me' checkbox, and a 'Register' button.

4 Type in your nominated Username.

This screenshot shows the Register form with the 'Username \*' field highlighted by an orange circle. The other fields (Email address and Password) are empty.

5 Enter in your associated password.

This screenshot shows the Login form with the 'Password \*' field highlighted by an orange circle. The 'Username or email address \*Required' field contains the text 'Underground\_Test'. Below the form, there is a text instruction: "Once you have completed purchasing your course(s) click" followed by a circular arrow icon.

## 6 Click "Log in"

Once you have completed purchasing your course(s) click

## 7 Once your Dashboard appears, Click "Continue Study" for the relevant course that you are commencing.

Once you have completed purchasing your course(s) click below to start your training !

- 8 Ignore the 'Buy Now' button.  
Click "Expand" to view each of the topics within the relevant module.

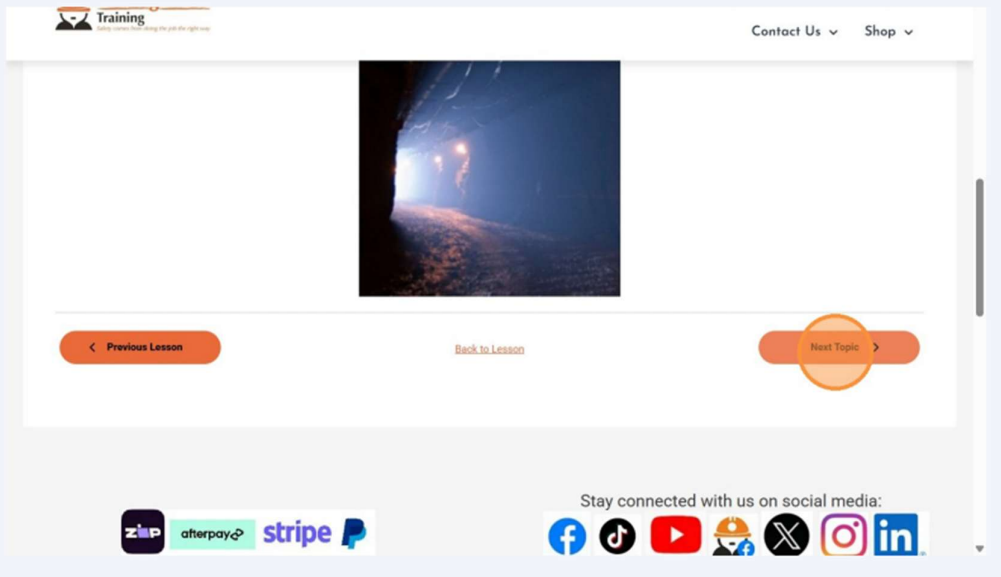

The screenshot shows the 'Underground Training' website header with navigation links: About Us, Courses, Employers, New Starters, Mining Jobs Videos, Blogs, Contact Us, and Shop. Below the header is a 'Course Outline' section with a 'NOW' indicator. The 'Course Content' section lists four modules, each with an 'Expand' button:

- Module 1 – The Duties of Miners (4 Topics | 1 Quiz)
- Module 2 – How a Hardrock & Open Cut Mine Works (9 Topics | 1 Quiz)
- Module 3 – Jobs on a Minesite (5 Topics | 1 Quiz)
- Module 4 – Scaling (3 Topics | 1 Quiz)

- 9 Click on the first topic. In this case the title is "Introduction".

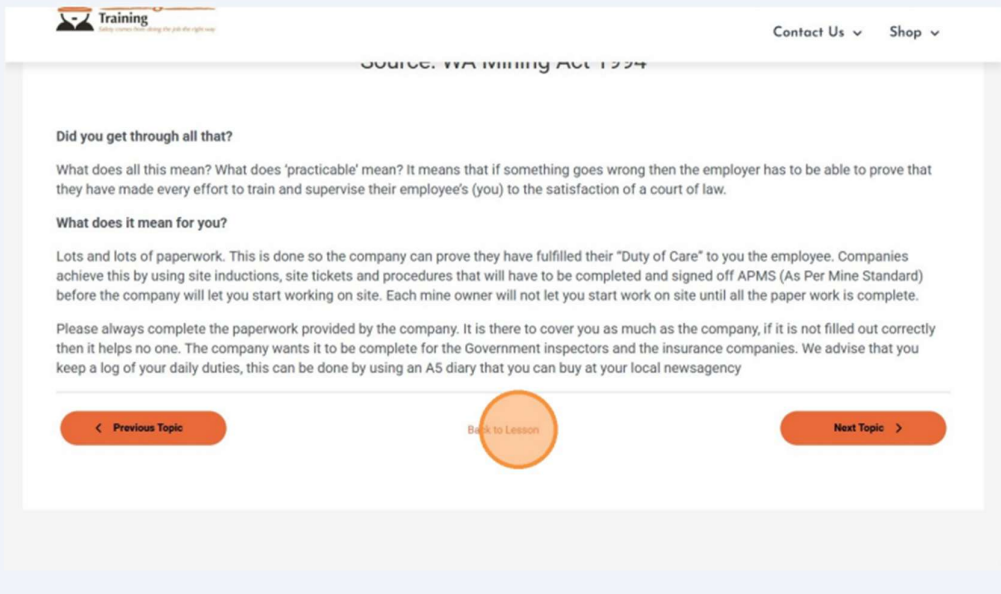

The screenshot shows the 'Underground Training' website header with navigation links: Contact Us and Shop. Below the header is a 'Course Outline' section with a 'NOW' indicator. The 'Course Content' section lists four modules, each with an 'Expand All' button. The first module, 'Module 1 – The Duties of Miners' (4 Topics | 1 Quiz), is expanded to show its 'Lesson Content' (0% COMPLETE | 0/4 Steps). The first topic, 'Introduction', is highlighted with an orange circle. Other topics listed include 'The duties of Miners', 'The duties of Employees.', and 'As Per Mine Standard'.

- 10 To move to the next topic in the module scroll down the page and Click "Next Topic"

The screenshot shows a training module page with a header containing the 'Training' logo and navigation links for 'Contact Us' and 'Shop'. The main content area features a large image of a tunnel entrance. Below the image, there are three navigation buttons: 'Previous Lesson' (left), 'Back to Lesson' (center), and 'Next Topic' (right). At the bottom, there are logos for payment methods (Ziip, Afterpay, Stripe, PayPal) and social media links (Facebook, TikTok, YouTube, Instagram, LinkedIn).

- 11 To return to the Module List, Click "Back to Lesson"

The screenshot shows a training module page with a header containing the 'Training' logo and navigation links for 'Contact Us' and 'Shop'. The main content area contains text about the 'Duty of Care' and 'APMS (As Per Mine Standard)'. Below the text, there are three navigation buttons: 'Previous Topic' (left), 'Back to Lesson' (center), and 'Next Topic' (right).

12 To return to the overall Course Module List, Click "Back to Course"
